FOREST LAKE AREA HIGH SCHOOL PARKING PERMIT EXPECTATIONS AND GUIDELINES

Because bus transportation is available to each student in the district, driving to school is considered a privilege and rules will be strictly enforced. It is the student's responsibility to abide by the following regulations.

PARKING/DRIVING REGULATIONS

- Every vehicle on the lot must have a permit displayed in the front window.
- Permits must be applied to the windshield in the lowest corner of the passenger side.
- Students must use the Goodview Avenue student driveways to enter or exit the student lot.
- Drive safely and obey the 10 mph speed limit.
- Secure a valid leave school pass from the office prior to leaving during the school day.
- Stay out of the parking lot during school hours unless a valid office pass has been issued.
- Comply with all directions given by the parking guard.
- Do not display inappropriate symbols or messages in or outside vehicles.
- Follow school behavior rules.

DISCLAIMER:

School District 831 is not responsible for vandalism, theft, or injury of items in the school parking lots. Vehicles should be locked when parked in the school lot. Valuables should not be left in cars. Any vehicle on campus is subject to search by school personnel if the school official determines there is reasonable suspicion that a school regulation, a city law or a state law has been violated. This includes but is not limited to illegal drugs, alcohol, stolen property, weapons or other contraband that might be present in the vehicle.

PARKING RESTRICTIONS:

Student parking is restricted to the south (rear) parking lot or in the last row of the Staff/East lot. At no time are students allowed to park in the front staff or visitor lot. **EXTREME CAUTION MUST BE USED WHEN ENTERING THE STAFF LOT THROUGH THE BUSY TRAFFIC AREAS NEAR THE BUILDING.**

LOSS OF PERMIT AND PARKING PRIVILEGES:

The parking permit can be revoked either temporarily or permanently for violation of provisions of this application or the "Secondary Student Code of Conduct" even if such violation is not related to the operation or parking of a motor vehicle. Examples of these violations are truancies, tardiness, or being in the lot without permission. Students improperly or illegally parked may have their vehicles locked with a wheel lock or towed at the owner's expense. A \$20 fine must be paid before the wheel lock will be removed. Continued violations could result in revocation of the parking permit without reimbursement until the end of the semester, and/or result in the loss of opportunity to purchase permits in the future.

VIOLATION CONSEQUENCES:

Any vehicle found in the lot without a permit is subject to a fine. Consequences will be progressive with each violation. Consequences will range from temporary loss of permits, to application of wheel lock, and/or towing at the owner's expense, or permanent revocation of permit without refund.

REPLACEMENT OF LOST/STOLEN PERMITS:

Only one replacement permit will be allowed per semester. Any additional permits are subject to a \$20.00 fee. A temporary day pass will be issued if the permit holder needs to drive a different family vehicle due to circumstances such as needed repairs.
